

MEDART-KOHLER 4 DAY FACTORY SCHOOL

Medart Engine is offering the **KOHLER Level 1** training school open to anyone interested in attending. We will be offering this 4-day course at the locations listed below. Class size is limited and will be filled on a first come first serve basis, with a signed dealer getting preferential treatment.

The **Level I** course is designed to provide students with a working knowledge of **KOHLER** air-cooled four-cycle engines and engine systems. It is assumed the students will have a basic understanding of small gasoline engines upon enrolling in the class.

Information covered will include:

- Using Kohler PLUS
- Electrical/Ignition Theory
- Warranty Information
- Basic Troubleshooting
- Failure Analysis
- Fuel Systems/EFI
- Engine Tear Down/Reassembly
- Command Twin, 7000 & 824
